SUBJECT:- Bangalore City Municipal Elections.

Letter No.291 dated the 1st June 1904 from the President of the Municipal Commission, Bangalore City.

Under the rules in force, the number of Municipal Commissioners that have to be elected for the several Divisions of the City excluding the two Extensions is as follows:-

No.I	Palace Division.....	1.
II	Balepet.....Do.....	2.
III	Manavarthapet Do.....	2.
IV	Ulsoorpet....Do.....	2.
V	Nagarthapet..Do.....	1.
VI	Lalbagh... ..Do.....	1.
VII	Fort and ChamarajpetDo.	1.
		10.

2. The results of the recent elections are reported to be as follows:-

No.I Palace Division. Nobody stood a candidate for election. Hence the President suggests that Mr.Brownson who was nominated a Commissioner last time for that very reason may be re-nominated.

e XI of the ction Rules)

No.II, III and IV Divisions. These were well contested and the election was held by ballot.

3. Two complaints were however received from candidates for election protesting against the validity of elections in Nos.II and III Divisions. The complaint with regard to No.II Division is from Mr.Appu Rao, the ob-

jection

objection being that Mr.Gangiah (elected) does not live in that Division. The President's reply is that the objection was not made in time and that owing to plague, Commissioners who have more than one residence reside outside the Division. He also refers to the Civil and Military Station Municipal Rules under which residence anywhere within Municipal limits is enough. It is submitted that this disqualification of residence was overlooked by Govern -ment in the case of the Elections of the Mysore City held in September 1903, the circumstances having been explained to be due to plague tho' in a similar case in the Bangalore City, Mr.Ramaswami Chetty's nomination was not approved by Government. Flag A. Flag A I.

As under section 3 of the Municipal Regulation and Rule III (d) of the Election Rules it is incumbent on a candidate to reside within the Municipal limits of the Division for which he is to be nominated or elected, it is a point for consideration whether candidates having more than one residence could be elected for the Division in which they have teporarily given up residence owing to plague or other Epidemic disease. If this is decided in the affirmative, Mr.Gangiah's election will hold good; but the rule of the Civil and Military station that residence anywhere within municipal limits is enough for a candidate to be elected cannot be applied to the City so long as the existing Regulations remain unaltered.

4. As regards the electors of Wo III Division, Mr.Subba Rao, a candidate, objected that the voting by ballot was not done properly. Referring to this however, the President states that tho' he was satisfied that the procedure was faulty, he declined to cancel the election, there being no allegation that the method followed in other Divisions and the complainant having failed to prove the truth of the several allegations made in his petition. Mr Subba Rao has addressed to Government against this decision. The details

Vide Mysore Gazette Extraordinary dated 1st June '05.

Petn. No. 1 697

of the procedure objected to have not been given and in the absence of sufficient grounds it seems undesirable to interfere with the President's decision.

5. No.V, VI, and VII were not contested. But there were 3 candidates, one for each Division. As they secured the required minimum number of votes they have been elected.

6. In this connection the President has referred to the recommendation made to Government by Mr.Devaraj Urs, former President, to appoint Mr Palpu in the room of Mahomed Ibrahim saheb, a nominated member for the Basavangudi Extension, who died recently. He also states that Mr.Devaraj Urs has recorded his opinion that Mr.C.Krishnamurthi, a very useful member for No. III Division but unseated in the recent elections, may be nominated in place of Chikkabasanna of No.V Division as the latter has failed to take any interest in the municipal matters being absent at 18 meetings out of 26 held since his nomination.

7. Mr.Nagavkar considers that there is preponderance of nominated over elected members. He says that there are only 23 seats on the Board (Vice-President having been excluded) of which half i.e., 11 or 12 has to be filled up by election and the rest by nomination. Only 9 gentlemen have been elected at the recent elections. With a view to do away with the inequality and also to provide for the large community of Mahomedans being represented on the Board, he suggests that two more members may be elected.

8 1. As regards Mr. Palpu's appointment as a Municipal Commissioner for the Basavangudi Extension, it is doubtful whether an employee of the Municipality could be so appointed and able to take part in the proceedings

proceedings which may sometimes condemn his own action. It is respectfully submitted that clause (h) Rule 3 of Election Rules which prohibits the election of an officer or a servant of the Municipality as a municipal Commissioner applies with equal force to nominations of the kind now proposed.

9 In regard to the late President's opinion that Mr. C.Krishnamurthi who lost his seat in the recent elections might be nominated in the place of Mr. Chikkabasanna municipal commissioner, No.V Division, it is submitted that tho' Mr.Krishnamurthi's acquisition will be very valuable to the Board, there is nothing to disqualify Mr.Chikkabasanna or to warrant his removal from the Board unless under section 3 of the Municipal Regulations the Government declare him unfit for neglect of duty for his having attended only eight out of the 26 meetings held since his nomination. Otherwise, he will have to remain till he completes his term which will be on the 8th Sept 08. Mr. Krishnamurthi, however, is not a resident of No.V Division to entitle him to a seat for that Division - ~~of No.V Division~~ -(Vide section 3 of the Regulations). In 1897 Mr. Aga Abdulla Saib who had taken up his temporary residence in the Lal Bagh Road but who had formerly resided in No.I Division was nominated as the Council for the latter Division. Flag B.

10 Referring to Mr.Nagavakar's proposal to elect two more members of the Mahomedans community, it is respectfully submitted that further elections cannot be permitted for the following reasons:—

(1) There are no vacancies. Mr. Ibrahim saheb having been a nominated Municipal Commissioner for the Basavangudi Extension till the general elections of 1906, his place has to be filled up by nomination under Rule 13. Besides this, the municipal assessment, which is a condition precedent to election, has not yet been completed in the Extensions.

Flag B.in file 26-9

(2) The rules do not provide for an election in the interval between two general elections.

(3) The preponderance of nominated members is due to the first appointment of members ~~from~~ for the two Extensions and to the dearth of a candidate for No.I Division.

Under these circumstances, the President's proposal cannot be sanctioned.

// If either Mr.Beli Srinivasa Rao who has had vast experience in municipal matters as Vice President of the several minor municipalities or Mr.K.Subba Rao who ~~is a first~~ once the 1st Councillor, thought, would take much interest in municipal matters, cannot be nominated for the Basavangudi Extension, the President may be asked to nominate one of the Mahomedan gentlemen living in the Basavangudi Extension as a Commissioner for that Division.

1) For the Palace Division (I) no candidate came forward - Mr Bronson may therefore be re-appointed as proposed - (Vide Rule IV of the Election Rules).

2) 9 gentlemen have been elected - As regards seven of them there is no objection & their election may therefore be declared. Of the other 2, Mr Gopaul Iyer for No II Division is one - Mr

between the last mentioned date
and the date of the Election to
satisfy the requirements of
Rule VII of the Election Rules.
Mr Campbell permanent-
residence is in No II Division
For certain reasons, he has
at present his residence both
in that Division and in No

justify his objection that he

municipal limits of the Division
for which he is elected (No II Div.)

It is not clear either from

the exact irregularity in connec-

the irregularity, whatever it was

therefore may be approved. Mr.

3/ The abolition of the office of
Vice President ought not to
deprive the Commission of one of
its members. In other words, the
prescribed strength ought not to be
reduced, more especially as
long and long vacancy in case
of such diminution not be
quite possible. To the Public
appointment however there are
obvious objections. It is true
that the present Municipal Regula-
tions do not provide for a
Health officer. But it is a matter
of fact. The Public Health
officer is a Municipal official
and Executive & the new Regulations

their in express terms. At present

a Municipal Commissioner. Some

Suitable nomination has to be made in consultation with the President.

4) Mr Krishna Menon cannot. displace a Lower not legally removeable from office nor can he be appointed to a Division within which he does not reside.

5) The event of appointed over elected Lower is due to the fact (a) that the Salem Division has elected no Lower & (b) that the two by-elections of Chalakudi and Ramanathapuram have in their influence to get an without elected Lower for some time.

6) The President may be asked to suggest an eligible person for appointment in the room of Mr Ibrahim Saheb deceased.

The Rules are silent in view of the special nature of the matter but I think they should be amended by an enabling order covering abdications of one kind of-as above - if

FROM

THE PRESIDENT,

The Secretary to the Government of
His Highness the Maharaja of Mysore,

SIR,

With reference to Government Proceedings No. 2028-L.F.26-97 dated the 30th November I903, I have the honor to report the result of General Election of Municipal - Commissioners of the City held between the Ist and I6th May I904 as embodied in the accompanying Statement showing names of Commissioners on existing and re-constituted Board-vide Appendix A.

2. One Commissioner had to be elected for No.I-Palace Division but no one came forward and one has to be nominated by the Government under RuleXI. For similar reasons Mr.J.Bronson was nominated by Government on 6th -- September I902 and he vacates his seat next month unless Government are pleased to renominate him.

3. The seats in Nos: II,III,IV Divisions were contest-ed and the election was held by ballot as per Rule VI .

The names of candidates for each Division, the number of votes secured by each and the result of election is given in AppendixB.

4. The seats in Nos: V,VI and VII Divisions were not contested. There were three candidates or one for each and they were declared elected as they secured more votes than the minimum number required. This was also held as per Rule VI though it seems hardly necessary to do so and its result is given in Appendix B.

5. I beg to report that two complaints were received protesting against the validity of elections in No. II and IIIDivisions.

(I) One was from Mr. Appurao against Mr. Gangiah's election on the ground that he was not residing in Bale-pett for which he was declared elected . This complaint was rejected as the objection was not made in time . It was made a day after the election was over. Owing to - plague some of the Commissioners who have more than one residence, reside outside the Division. Although City Municipal Rules require the Commissioner to reside in - the Division he represents, the Station Municipal Rules require his residence to be within its municipal limits.

(2) The other was from Mr. S.N.Subba Rao against the result of election of No.III Division on the ground

the voting by ballot was not done properly. Although I was satisfied that the procedure adopted was faulty there was no deviation from the method followed in other Divisions. Besides, the complainant failed to prove the truth of several allegations made in his petition.

In both of these cases the petitioners were candidates for seats in the Municipal Commission.

6. It will be seen from Appendix A that out of nine old elected Commissioners seven were re-elected in the recent general election, two were unseated and two were newly elected in their places.

7. Owing to the abolition of the post of Vice-President the total number of Municipal Commissioners inclusive of the President, the four Ex-Officio members and eighteen Division Commissioners, will be 23 against 24 sanctioned. Of these, half i.e., 11 or 12 should be elected as per Rule 1, whereas only nine are elected. This inequality is mostly due to the nomination of four Commissioners for the two new Divisions and to the dearth of a candidate for the Palace Division. It is however necessary to rectify the inequality as early as possible.

8. Mr.Devaraj Urs has already recommended Mr.Pelpu for nomination to the vacancy caused by the death of Mr. Mahomed Ebrahim Sahib of the VIII-Basavangudi Division.

He has recorded his opinion that Government may be moved to nominate Mr.C.Krishna Murti a very useful member of the Commission of III-Division recently unseated, in -- place of Mr.V.Chicka Basanna of NoV-Division—to be removed since he failed to take any interest in municipal matters being absent at 18 meetings out of 26 meetings held since his nomination—Vide Appendix A.

9. If it were not for the preponderence of the nominated over elected members which is opposed to the Rules I would have had nothing to say to the above recommendations. By a reference to the list of members on the - Commission it will be evident that the large community of the Mahomedans is inadequately represented on the -- Board. In the Station Municipality the representation is based on classes, which is not the case in the City Municipality, and it seems necessary to do something -- to remedy this defect. It appears therefore desirable to allow two more members to be elected so that their - number may be raised to 11—equal to that of the nominated members exclusive of the President.

10. In conclusion, I beg Government sanction to the appointment of the nine elected members as commissioners on the City Municipal Board and orders as to the retention

or otherwise of Mr.J.Bronson referred to in para 2 anti and also orders as to the filling up of a vacancy and to the removal of a member alluded to in the last two paras.

I have the honor to be

Sir,

Your Most Obedient Servant,

A.S.Nagavkar

Letter No.257 dated the 10th May 1904 from the President of the Municipal Commission, Bangalore City, reporting the death of Mr.Mahomed Ibrahim Saheb, a nominated Municipal Commissioner for the Basavangudi ~~Extension~~ Division of the Bangalore City, and recommending the nomination of Mr. Palpu, a resident of that Division, in place of the deceased Commissioner.

2. Letter No.291 dated the 1st June 1904 from the same officer reporting the results of the General Elections of the Municipal Commissioners for the several Divisions of the Bangalore City conducted during the month of May 1904.

3. Petition Registered No.L.2697 dated the 1st June 1904 from Mr S.N.Subba Rao, Superintendent, Messrs Binny and Co's Oil Mills, Bangalore City, appealing against the President's order declining to cancel the election of Municipal Commissioners for No.III Division though the procedure adopted during the election was faulty.

Order

ORDER THEREON NO 5910.
4717-96.
DATED BANGALORE 22 JUNE 1904.

On a careful consideration of the several points raised in the communications read above, Government are pleased to direct that, as ~~for No.I Palace Division~~ no candidate came for for No.I Palace Division -ward for being elected, Mr Bronson be reappointed a Commissioner till the next General Elections, ~~Another~~ 2 of the 9 Commissioners elected, ~~the names of~~ ~~regarding whose election there is no~~ has been raised to the selection of 2 viz Messrs Gargiya & K. Garoodachar objection, ~~be notified in the gazette.~~

~~Mr. Gargiah~~ Mr.Gargiah's name appeared in the first list published in the Gazette of the 4th February 1904 under No.V Division but a transfer from this to the 2nd Division was, however, made by the President's notice of the 18th February 1904 published in the Gazette of the 25th Idem. Thus there was sufficient interval between the last mentioned date and the date of the election to satisfy the requirements of Rule VII of the Election Rules. Mr.Gungiah, whose permanent residence is in No.II Division also resides for certain reasons in No.V Division. This does not justify Mr.Appu Rao's contention that he is not a person "resident within the Municipal limits of the Division for which he is elected (No.II Division)" within the meaning of Rule III

III(d) of the Election Rules. His election cannot consequently be over-ruled.

In regard to the ~~other objected~~ election of Mr B K Gavarayudu for No.III Division, it is not clear either from Mr.S.V.Subba Rao's petition ~~on~~ or from the President's letter what the exact irregularity in connection with the wrongly hall-lot was. But, it is evident that the irregularity, whatever it was, was not sufficient grave to invalidate the election which is therefore approved, Mr.Subba Rao's appeal being rejected. The names of ~~Messrs~~ all the 9 elected ~~B K Gavarayudu~~ will accordingly be notified in the Gazette.

3. Government consider that the allotment of the office of Vice-President of the Board to Mr.Palpu, the Commissioner of the Municipality, is not open to objection, as the Commissioner is specially appointed and self-contained unit, in case of sickness, not to be available. But there are grave objections to the appointment of Mr.Palpu, Health Officer, as Chairman for the Tadepalli Panchayat as proposed by the Vice-President. The present Municipal Regulations do not provide for a Health Officer, but as matter of fact, Mr Palpu as Health Officer

is a Municipal Official, and as such ~~a Municipal servant~~ cannot, under the Rules, be a Municipal commissioner. His nomination cannot therefore be approved.

4. Adverting to the other recommendation made by ~~Mr Devaraj Urs~~ the late President, Mr Krishna murthi cannot displace a Commissioner not legally removable from Office, nor can he be appointed to a Division with-in the limits of which he does not reside.

5. The excess of the appointed over the elect-ed Commissioners is apparently due to the fact that the Palace Division has elected no Commissioner and that the two Extensions of Malleswaram and Basavangudi have in their infancy to get on without elected Commissioners for some time.

6. In such circumstances, the President is requested to suggest an eligible gentleman, preferably a Mahomedan, for the Basavangudi Extension for no-mination in the room of Mr. Mahomed Ebrahim Saheb deceased, and another gentleman to fill the ~~vacant~~ seat on the ~~Council~~ Board by the abolition of the office of the Vice-President.
